Holmes Lane Speed Sign: Whilst a suitable site had been agreed unfortunately the weight of the sign means a separate post is required because of its weight. Various checks are necessary before the new post can be positioned.

Community Playback Scheme: The possible use of this scheme to help with certain areas in the village which are need of a general clean up was discussed. There are several blocks of garages some of which appear to be unused and could do with a make over. A walk way leading onto Limetree Lane which is used regularly by Parents and their children as a short cut to the school is in need of a clear up.

Treasurers Report: Funds available 959.92

Date of next Meeting: 2/6/14

The Meeting was delayed in starting due to a Police matter involving a break in at a garage on Main Road . The resident attended the Meeting to speak to a Police Officer about in his opinion the lack of interest in his situation where valuable items had been taken. PCSO Bainton agreed to look into the matter and will be calling on him SAP .
